I want the summary of the story Ant lion - Brainly.in

Etymology. The exact meaning of the name "antlion" is uncertain. It has been thought to refer to ants forming a large percentage of the prey of the insect, the suffix "lion" merely suggesting destroyer or hunter. In any case, the term seems to go back to classical antiquity. The antlion larva is often called a "doodlebug" in North America because of the odd winding, spiralling trails it leaves ...

Antlion - Wikipedia

Get out of the way and let your "ants" perform. Don't step in when things go wrong but support your "ants" to solve the problem themselves. Monitor progress regularly but not excessively.

The ant and the lion : some lessons for managers and HR

Description: This sand-dwelling slug is able to maintain its mucous coating by absorbing the moisture from prey it catches at the bottom of conical pits not unlike the ones antlions are known to dig.

The Ant, who had been once so productive and relaxed, hated this new plethora of paperwork and meetings which used up most of her time. The lion came to the conclusion that it was high time to nominate a person in charge of the department where the ant worked.

The lion and the ant: A managerial lesson | BERKONOMICS

This story has been making the rounds lately, and I confess that our research cannot find the source. So, with thanks to whomever created this great little parable, here it is: "Every day, a small Ant arrived at work early and started work immediately, she produced a lot and she was happy. The boss, a [...]"

The lion's share is an idiomatic expression which refers to the major share of something. The phrase derives from the plot of a number of fables ascribed to Aesop and is used here as their generic title. There are two main types of story, which exist in several different versions. Other fables exist in the East that feature division of prey in such a way that the divider gains the greater part ...
