Paddling: In this case, referring to the use of a large, regulation-style paddle used to smack the buttocks of the child, teenager or submissive adult being punished. Typically the punishment with a heavy paddle is administered to an individual in a standing or bending position, with hands against a wall, on the floor, or bending over an object such as a table, desk, or the arm of a couch or chair.

TRADITIONAL PHYSICAL DISCIPLINE - Southern Comfort

Specific and General Deterrence. Deterrence prevents future crime by frightening the defendant or the public. The two types of deterrence are specific and general deterrence. Specific deterrence applies to an individual defendant. When the government punishes an individual defendant, he or she is theoretically less likely to commit another crime because of fear of another similar or worse punishment.
