Approach to The Quran. Evident from his lectures, Shaikh's main standpoint is that the Qur'an needs to be seen through its own inflection and in its pure form without any alteration whatsoever, as it is a divine text accessible to all who want guidance from it. While viewing his presentations it is apparent that his point of difference is almost entirely with the Judeo-Christian tradition, namely the Bible and he is rarely directly critical of Muslim traditionalism.

Approach to The Quran - MuhammadShaikh.com

Professor Oliver adopts a basically historical-critical approach supplemented by generous quotations from contemporary translations in order to enter into the world of the Qur'an. It is one highly qualified academic's attempt to engage sympathetically into the thought-world of the society that produced the most important text of one of the ...
