If you prefer, print out the black and white diorama template and color in the Arctic background, base, animals and rocks. 2. make the diorama background and base Glue together the panels that create the Arctic diorama backdrop and base.

Tundra Diorama Project | Papercraft Animals

Although we were studying both polar regions (the Arctic and Antarctica), we chose to make our diorama of just the Arctic region. Since the kids had already learned the difference between Arctic animals and Antarctic animals, and that some of them don't live in the same region, I didn't want to confuse them with a diorama that included both polar bears and penguins, for example.
