Blade Runner The Official Comics

Thankfully, Marvel Comics' adaptation of the 1982 cult classic film, Blade Runner, leans pretty heavily in the direction of the former. Granted, when judged by the standards of comics produced in the past decade or so, the full color inking doesn't quite measure up to today's computer generated standards.

A Marvel Comics Super Special: Blade Runner - Wikipedia

Archie Goodwin scripted the comic book adaptation of Blade Runner, entitled A Marvel Comics Super Special: Blade Runner, published in September 1982 as the twenty-second issue of the Marvel Comics Super Special series of titles which, by the year 1982, only printed adaptations of films Marvel had obtained the rights to. It was later reprinted as a two-part miniseries, without the feature content contained in the special.

Blade Runner (franchise) - Wikipedia

This is a pretty straightforward adaption of Blade Runner by Marvel Comics from the 80s. It's about the size of a regular paperback, but a bit thinner. The item listing has the incorrect picture. My copy (and all the others like mine) do not have colored artwork, though I suppose it adds to the "film noir" aspect of Blade Runner.

While movies have time to develop story, plot, and character, and create their own atmosphere, comic books get six panels a page to achieve the same. Marvel's Blade Runner managed the transposition from screen to page quite successfully. The artists picked up on some of the movie's most iconic imagery while still managing to add their own take on the Philip K. Dick tale. Williamson offered his own (cheesy) definition of the term "Blade Runner" at the very end of the story: Blade runner.
