The F800S and ST are BMW's first entry into the middleweight market. Both are aimed squarely at newer riders who hanker after the kudos and quality associated with the German firm. These slender middleweights are the most user-friendly bikes BMW has ever built.

### **BMW F800ST (2006 - 2012) review - Visordown**

My F800ST 2011 model had reach 10,000 km and need service. Since my place do not has any authorized dealer to do the service, I change engine oil my self with the help of my mechanic friend. The problem is, "service" indicator still on the dashboard and I would like to reset it. Is it possible to do it without bringing my bike to service center.

### **BMW F800GS Service Repair Manual - BMW F800GS PDF Downloads**

The BMW f800 ST has never been in the highlights of the GP or drag-strips, but this midweight BMW is a fantastic bike that shouldn't be glossed over. A somewhat quiet and non-offensive overachiever. In most single areas it won't be breaking records as it isn't the fastest, lightest or most avant-garde design out there. What the BMW f800 does do particularly well is make a darn good package ...

### **2011 BMW f800 st motorcycle review - RoadCarver**

\$250 for service maintenance every 6,000 miles (service every 6,000 miles reommended). Equipment 5 out of 5 Buying experience: Bought my BMW F800 GT from a BMW dealer used at \$700 below asking price.

All prices in Euro, incl. VAT of 16%, shipping costs not included. The crossed-out rates correspond to the manufacturer's RRP. <sup>1</sup> Applies to products with label In Stock and to all payment methods except EU Standard Bank Transfer. <sup>2</sup> Valid for deliveries within UK.

**Order your BMW F800GT Luggage online | BMW Motorrad Shop**

While boxer engines have a prominent place in BMW's history, the BMW F 800 ST sport touring motorcycle is equipped with a parallel twin powerplant. The F 800 ST's 798cc displacement puts it squarely in the middleweight category. While the F800 ST wears a fairing, its stablemate, the F 800 is a naked bike.

**2007 BMW F 800 ST - Motorcycle Review**

Because how BMW's service manual tells you to do it isn't completely what you'd expect. ... Note: Everything you're about to read can apply to any of the other F800 series BMW motorcycle like the BMW F800GS, F800CS, F800ST, and F800GT. Save 10W40 for the Japanese bikes. BMW calls for 15W50 for the F800 series motorcycles.
