Welcome ! Since 1976, the International Symposium on Boat and Ship Archaeology (ISBSA) has traditionally served as a platform to publicise recent ship finds and new nautical material, and to outline the results of ship-related archaeological, historical and technical research. In 2018, twenty-four years after the 7th ISBSA, held in 1994 at the island of Tatiou, the Centre Camille Jullian (Aix ...

Viking ship replicas are one of the more common types of ship replica. Viking, the very first Viking ship replica, was built by the Rødsverven shipyard in Sandefjord, Norway. In 1893 it sailed across the Atlantic Ocean to Chicago in the United States for the World's Columbian Exposition. Formerly located in Lincoln Park, Chicago, Illinois, the Viking is currently undergoing conservation in ...
