I have downloaded the Boeing 737-800 operations checklist by Werner Schott, but like most checklists, they are a list of procedures, but to a newbie like me, when it says 'Hydraulic Pump Switches ON' I don't know where they are!! Does anyone know of a checklist that has images to make locating switches etc easier for the beginner?

The Boeing 737-800 can be flown with, without, or partly with automation. The combinations that can be used, how they work, and more importantly when to use them, can fill a book. Indeed, there is a book (two books) - they're called the Flight Crew Operations Manual and the Flight Crew Training Manual.
