Local ...

The Fens, also known as the Fenlands, is a coastal plain in eastern England. This natural marshy region supports a rich ecology and numerous species, as well as absorbing storms. Most of the fens were drained centuries ago, resulting in a flat, dry, low-lying agricultural region supported by a system of drainage channels and man-made rivers (dykes and drains) and automated pumping stations.

The Fens - Wikipedia

Buried on the Fens continues Ms. Ellis' record of only releasing great novels. All 7 of the series novels are standalone and can be listened to in any order. The setting is in an area of the east coast of England north of London known as the fens. (A fen is a low marshy area that frequently floods.)
