World Coin Search. The World Coin Price Guide is a complete catalog of values for World coins from 1600 to date. Created by NGC and Krause Publications' NumisMaster, the price guide pages are arranged by Krause catalog numbers and include values, images and specifications such as weight, composition, engraver and current bullion values.

## **World Coin Price Guide and Values | NGC**

World Coins was brought into our hobby in 1972 as the largest and most comprehensive world coin reference available. Those first few editions in the early 1970s offered world coin data for all countries from the mid-1800s to the then current day. There were photographs of many of the coins, plenty of information on metal
