Inspirationaly, Di Leo finds the tools for the university's reinvention in the critical terminologies of the humanities' and social sciences' most innovative recent thought. Clearly, The Imperial University and Corporate Humanities in Higher Education complement each other in responding to a vital need.

Corporate Humanities and The Imperial University: The ...

He argues that the humanities are "no more or less relevant now than they've ever been." It's just that now, as universities become corporate boot camps churning out productive science, technology, engineering, mathematics (STEM) students, the humanities can no longer compete under the new rules. To try to do so is to engage in self-defeat.
