book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them.

Electric Machines And Drives Slemon

4.0 out of 5 stars Gordon Slemon's Electric Machines and Drives. Reviewed in the United States on March 25, 2012. Verified Purchase. So far this has been a good book, we've only worked through a little over two chapters, but things are explained well, and simply. It's not like some of the textbooks that try to explain new topics completely with ...
