### Human Goods Economic Evils A

Much of modern economic theory is based on a rather unflattering view of human nature, one that is essentially selfish and materialistic. Not surprisingly, this incomplete version of human anthropology makes for some rather incomplete economic theory, argues Edward Hadas in Human Goods & Economic Evils. Instead of simply being utility maximizers, Hadas argues human beings also seek to maximize morality in their everyday economic lives.

### Human Goods, Economic Evils: A Moral Approach to the ...

Human Goods & Economic Evils does not claim that the basic economic activities of laboring and consuming are the most important things in life, but they are literally vital, and as such deserve to be studied and understood through a more morally sympathetic view of human nature.
