The game follows the story of Ib, a little girl who was visiting an art gallery with her parents. While observing the many exhibits, Ib suddenly realizes she is alone and trapped within a space where the exhibitions started to come back to life. Help Ib escape this horror-filled museum before the gallery traps her there forever.

Mary (メアリー Meari) is the main antagonist in the game Ib and the second person to join Ib's party. Even though Mary seems like an ordinary human, she is actually the last painting that Guertena ever worked on. Her goal is to exit the cursed gallery of the Fabricated World to the real world in order to make a new life for herself and make many friends, but her dream can be reached only ...

Promise of Reunion is one of the multiple endings in the game Ib. It is considered to be the best ending and is the true ending, due to the fact that this is the only ending in the game to trigger the credit roll at the end. This is one of two endings that includes a picture, the other being Together, Forever. In order to obtain this ending, Ib must give Garry her handkerchief when he cuts his ...

The True Guertena Exhibit is a bonus room that was introduced in the 1.04 update of Ib.The room allows the player to view all of the paintings and sculptures seen throughout the game. The player must have examined a named work for it to be added to the exhibit, and Ib must know that work's true name by having Garry help her understand any word that she can't understand alone.
