Ultimate CandleStick Charting Guide | Part 2

Although centuries old, Japanese candlestick charts are relatively new to the West: Steve Nison introduced them here in 1991 in his book, Japanese Candlestick Charting Techniques. The candles provide the same price information (open, high, low, and close) that bar charts do, but they display

A Candlestick Primer

In chart 8.2.4.a, notice the emergence of the piercing pattern after a steady decline in price. The first candle was a red candle. The second candle opened below the close of the previous candle but then closed above the midway point of the first candle, suggesting that selling pressure is starting to recede.
