DESCRIPTION In Living With Less: An Unexpected Key to Happiness, we invite teenagers and young adults to discover the practical benefits of living with fewer possessions. It is a stage of life full of opportunity and promise.

Living With Less: An Unexpected Key to Happiness

You can adapt to living with less much quicker than you would think. Case and point: our last camping grounds were shared between 6 people and 6 dinner sets. We each had a single cup, spoon, bowl, and plate the entire week. It took us less than a day to adjust to washing our dishes after each use (with no dishwasher). We became pros at wipe ...

Adapting to Living With Less: Discover What You Need

Living well on less can be easy if you learn how to be frugal, not cheap. Being frugal means focusing on what does make you happy and finding a cost-effective way to experience it. Maybe doing an active hobby or spending time with friends and family is what makes you tick. When you make this shift, you also free up your cash flow to save money.
