### Amazon.com: My First Body Board Book (My 1st Board Books ...

Nice book! I wish it didn't say "my first" because this is good for older kids too. My kids were 5, 10 and 11 when we did a unit study on the human body and this book was used to review after we discussed each system. It covers a lot and has little fact boxes in several places on each page, so not simply coloring.

### **My first body book (Book, 1995) [WorldCat.org]**

The first time I remember being drawn to study medicine was at a summer camp when I was about fourteen years old. My cousin Michael kept me up all night explaining the intricacies of how kidneys work, how they secrete the body's waste materials and then reabsorb the chemicals that keep the system in balance.
