**And Examples**

If philosophy has any business in the world, it is the clarification of our thinking and the clearing away of ideas that cloud the mind. In this book, one of the world's preeminent philosophers takes issue with an idea that has found an all-too-prominent place in popular culture and philosophical thought: the

The subjective style of writing gives your opinion; it is a personal interpretation of your topic. The objective style, on the other hand, is entirely fact-based and unbiased, and is based on your reviewing many aspects of an idea. A blog or editorial is subjective, while a news article is objective.
