### 7 Philosophy Books Every Business Leader Should Read

I started reading "Like A Virgin - Secrets They Won't Teach You at Business School" by entrepreneur giant Richard Branson. I'm reading the chapter, "Business Philosophy - Five quick questions." Here are my answers to those questions based on personal experience.

### Five Questions On Business Philosophy

The Republic is a dialogue where Socrates and some of his followers examine the meaning of justice and the role of art and philosophy in society. Readers will be asked to think about what true justice and morality is - something every business leader will need to consider at some point in their career in order to be a good manager and citizen.
