Globalisation, corporate governance - SlideShare

July 11, 2012. Corporate governance practices vary widely from country to country. The myriad cultures and legal systems around the world influence not only how corporations are run, but also how shareholders respond to them. However, the fragmented global governance structure appears to be in a state of convergence, as the globalization of financial markets creates the need for international synchronization of corporate governance. 1 Despite this movement, it is unlikely that a single ...
