transforming leadership james macgregor burns Bookstores are filled with glossy accounts of corporate titans, military geniuses, political giants. Can humans plan change or must they simply react to it? If the great thinkers made no final breakthroughs on such questions, at least they posed them with clarity and panache.

transforming leadership james macgregor burns

James MacGregor Burns (1978)[1] first introduced the concept of transforming leadership in his descriptive research on political leaders, but this term is now used in organizational psychology as well. According to Burns, transforming leadership is a process in which "leaders and followers help each other to advance to a higher level of

Transformational leadership - Langston University

James Macgregor Burns began to define the distinct nature of leadership as a separate behaviour and activity to that of management. He moved us away from talking about leaders to talking about leadership. That shift alone made people view the topic in more philosophical ways rather than the more typical mechanistic or reductionist approach.
